

~ Annual Fish Sale ~

The Lucas Soil & Water Conservation District is offering new and established pond owners the opportunity to stock their ponds conveniently and at a low cost. Anyone considering stocking their pond in the near future should take advantage of this opportunity.

An aerator tank truck from Fender's Fish Hatchery in Baltic, Ohio, will distribute fish fingerlings on **TUESDAY, SEPTEMBER 27, 2016, from 10 to 11 AM at our office in Maumee.**

Bring your own container lined with a clean trash bag half-filled with your pond water. The container should be prepped as close to pick up time as possible to prevent drastic temperature changes in the water which can cause shock to your fish during transportation. A 5-gallon bucket is adequate for 50 fish or 1,000 minnows.

Fish are guaranteed to be delivered in good condition, however, we can not guarantee survival after stocking in your pond.

DEADLINE FOR ORDERING IS:
FRIDAY, SEPTEMBER 23rd, 2016
(PICK UP fish on September 27th)
